

# **2012 ReCert Test - Answer Explanations**

This is a compilation of where the answers can be found to the 20 questions contained in the 2012 Ohio South Recertification Test, which is included as part of the 2012 Modules A&B and 2012 Modules C&D On-Line Training. The answers can be found within the text of the given Law and the specific section of Advice to Referees listed below.

| <b>Test Question</b> | <b>Laws of the Game</b> | <b>Advice to Referees on the of the Game</b>   | <b>Laws</b> |
|----------------------|-------------------------|--|-------------|
| 1                    | 9                       | 8.4, 9.1                                       |             |
| 2                    | 7                       | 7.2  |             |
| 3                    | 5                       | 5.9  |             |
| 4                    | 16                      | 16.2, 16.3                                     |             |
| 5                    | 16                      | 16.2   |             |
| 6                    | 5, 14                   | 14.5, 14.7                                     |             |
| 7                    | 11                      | 11.1   |             |
| 8                    | 5, 17                   | 5.14, 11.14                                    |             |
| 9                    | 8                       | 8.5  |             |
| 10                   | 3, 12                   | 8.3, 12.24, 12.29, 12.35                       |             |
| 11                   | 7                       | 7.2  |             |
| 12                   | 12, 14                  | 12.2, 12.9, 12.28.1, 12.29, 12.37, 12.38, 14.1 |             |
| 13                   | 5, 12                   | 5.15, 5.17, 12.24                              |             |
| 14                   | 12, 14                  | 12.1, 12.2, 12.9, 12.10, 12.11                 |             |
| 15                   | 12                      | 12.20  |             |
| 16                   | 17                      | 17.1, 17.3, 17.4                               |             |
| 17                   | 12                      | 12.1, 12.25b                                   |             |
| 18                   | 5, 12                   | 5.5, 5.6, 5.7, 12.39, 15.4, 15.5, 16.3         |             |
| 19                   | 10                      | 9.1, 10.4, 10.5                                |             |
| 20                   | 3, 12                   | 12.1, 12.24, 12.29, 12.35                      |             |
